- **Beginner** - Django, Flask, Java, JQuery, React

Soft

- Project management, public speaking, writing, budgets, intra-organization collaboration

EXPERIENCE

Self-employed, Orlando, FL – Freelance musician JAN 2020 – PRESENT

- Substitute musician for St. Louis, Jacksonville, and Orlando Symphonies.

New World Symphony (NWS), Miami, FL – Viola Fellow AUG 2017 – DEC 2019

- Full-time orchestra schedule, as well as:
 - **Farm to Stage** - Connected NWS to wider Miami community through two interactive concerts for migrant farmworkers and children
 - **Double Take: The Human Effect** - Attracted new audience members to NWS through co-producing and -hosting fellows-led orchestra performance diving into the role of the artist in today's world. Worked closely with NWS music director, Kennedy Center honoree Michael Tilson Thomas.
 - **Damas y Caballeros** - Deepened NWS community connection to Spanish-speaking audience and strengthened community within Symphony and staff through designing and leading season-long Spanish study with 17 fellows. Culminated with free community performances in Spanish.

Civic Orchestra of Chicago – Principal Viola, Fellow AUG 2015 – JUN 2017

- **The Rediscovering Musician** - Improved the physical and mental health of the orchestra by introducing the principles through eight weeks of professional Alexander Technique lessons for two colleagues and a group class and blog for the rest
